Form & Function

Invest in containers to corral clutter. Savannah Utility Basket, \$29; Pottery Barn; potterybarn.com. Locker Basket Letter Tray, \$69; See Jane Work; seejanework.com. Tie stationery with ribbon to keep things neat. Thank You Notes; [Sonia Davis Designs for Inviting Company](http://SoniaDavisDesigns.com); invitingco.com. All other paper items from Inflatations & Invitations; shopinflatations.com.

Creative Space

Turn a blank wall into an artistic canvas with wall stencils from Whitewall & Co. Change the look of a plain seagrass rug by layering it with a Moroccan rug for a mosaic of tones and textures. Bring in a desk with presence to make a statement, and add a plush chair and artwork to make the room more inviting. Fresh flowers and a French press, along with patterned boxes and book covers, help to blur the line between work and play.
